Asanté *Talk*...Your Ethernet to LocalTalk Connection for Printing and File Sharing

Asanté *Talk*

The Easy and Affordable Way to Connect Your Ethernet Macs to LocalTalk Devices

- Connects iMac or any Ethernet Mac to share files or printers.
- Includes all necessary cables and quick start set-up sheet.
- Simply plug in Ethernet on one side and LocalTalk on the other.

Connects Up to Eight LocalTalk Devices

Performance and Flexibility

- Allows simultaneous connections of up to eight LocalTalk devices—including printers, Macintosh computers, and PowerBooks to an Ethernet network or computer.
- With Asanté *Talk*™ you can transfer vital Macintosh files to your iMac via the Asanté *Talk* direct connect cable.

Plug-and-play Design

Ease of Installation and Use

- Its plug-and-play design makes set-up and installation of your Macintoshes, iMacs and other LocalTalk devices easy—to get you up and running in minutes.
- Easy to read LED lights provide at-a-glance feedback displaying power, link integrity and network status.
- Asanté *Talk* supports most popular LocalTalk devices and printers, including Macintosh and iMac computers, PowerBooks, and all 100% LocalTalk compatible printers.

Free Technical Support

Technical Support

- Asanté offers free technical support by calling our toll-free technical support line at (800) 566-6680 from 7 AM - 6 PM (MST) Monday through Friday, via Email, our Web site, or our 24-hour BBS.

Limited Lifetime Warranty

Warranty

- Asanté stands behind the reliability of Asanté *Talk* by providing our Limited Lifetime Warranty, without the purchase of an extended warranty contract.

The Asanté *Talk* Adds Up to Value

- Asanté *Talk* provides the ideal plug-and-play design for connecting all of your LocalTalk devices, including Macintosh to iMac for file transfer, as well as communication links to LocalTalk printers—add to that free technical support, Asanté's Limited Lifetime Warranty, and affordable pricing to make Asanté *Talk* a true value.
